S Second opens for weekend traffic

*Northbound lanes only, between Liberty Street and Muhammad Ali Boulevard
to close next week for paving*

LOUISVILLE, KY – MSD has completed repairs to the sewer line under the northbound lanes of Second Street between Muhammad Ali Boulevard and Second Street. As a result, the roadway will open for weekend traffic and close again next week for paving.

The roadway closed November 8, for an emergency sewer line repair.

Background

MSD maintains more than 3,600 miles of sewer lines – more than the distance between the east and west coast of our 48 contiguous states. With many dating back 75 years or more.

About MSD

The Louisville/Jefferson County Metropolitan Sewer District (MSD) works to achieve and maintain clean, environmentally safe waterways for a healthy and vibrant community. The organization's nearly 700 employees provide wastewater management, drainage and flood protection services across the 376 square miles of Louisville Metro, and wastewater service in portions of Bullitt and Oldham counties. In addition to operating and maintaining Louisville Metro's sewer system, floodwall system, water quality treatment centers and flood pumping stations, MSD invests in hundreds of infrastructure improvement projects each year, plants more than 1,000 trees and other vegetation annually to enhance water filtration and reduce runoff, and provides numerous outreach programs to inform and educate the community about protecting our waterways.
