Updated Details on East Liberty Street Closure

Final step in emergency sewer repair project

LOUISVILLE, KY – East Liberty Street will be closed to through traffic between **Baxter Avenue and South Hancock Street** from 7 a.m. to **7 p.m.** Monday, August 28 through Thursday, August 31 to make way for paving except as noted below. Detour signs will be in place. The paving is the final step in an emergency sewer repair project that began in February this year following deterioration of a large sewer line that was built in 1872.

EXCEPTION

Between **South Campbell Street** and **East Chestnut Street**, the daily closure hours will be 7 a.m. to **4 p.m.**

About MSD

The Louisville/Jefferson County Metropolitan Sewer District (MSD) works to achieve and maintain clean, environmentally safe waterways for a healthy and vibrant community. The organization's more than 670 employees provide wastewater management, drainage and flood protection services across the 376 square miles of Louisville Metro, and wastewater service in portions of Bullitt and Oldham counties. In addition to operating and maintaining Louisville Metro's sewer system, floodwall system, water quality treatment centers and flood pumping stations, MSD invests in hundreds of infrastructure improvement projects each year, plants more than 1,000 trees and other vegetation annually to enhance water filtration and reduce runoff, and provides numerous outreach programs to inform and educate the community about protecting our waterways.
