3050 Commerce Center Place, Louisville, KY 40211
Enter at guard gate, proceed to the right-front side of the building

Louisville MSD and Louisville Water will honor 92 employees who have or are still serving our country in the United States Armed Forces at a ceremony at MSD's Central Maintenance Facility on Friday, November 8 at 8:30 AM. Louisville MSD Color Guard will provide the presentation of colors.

MSD Executive Director Tony Parrott says, "We appreciate the culture of dedication and discipline that our veterans bring to the mission of providing safe, clean waterways to the community. We know that the teamwork, discipline and training from their military service helps us in that work."

"Louisville Water is proud to support our veterans. This annual breakfast is a nice way for us to honor them and show our appreciation for their dedication and service to our country and our community," states Louisville Water President & CEO Spencer Bruce.

About MSD

The Louisville/Jefferson County Metropolitan Sewer District (MSD) works to achieve and maintain clean, environmentally safe waterways for a healthy and vibrant community. The organization's more than 770 employees provide wastewater management, drainage and flood protection services across the 376 square miles of Louisville Metro, and wastewater service in portions of Bullitt and Oldham counties. In addition to operating and maintaining Louisville Metro's sewer system, floodwall system, water quality treatment centers and flood pumping stations, MSD invests in hundreds of infrastructure improvement projects each year, plants more than 1,000 trees and other vegetation annually to enhance water filtration and reduce runoff, and provides numerous outreach programs to inform and educate the community about protecting our waterways.
