CONSTRUCTION PLANS FOR

PROJECT TITLE

Erosion Prevention and Sediment Control Notes

The following erosion prevention and sediment control devices shall be implemented: temporary fencing, erosion control blankets, and silt fence. The construction site shall be inspected by the MSD engineer at the start of construction and at regular intervals. Any erosion or sediment control devices that fail to meet the requirements shall be removed and replaced. (Sheet 1 of 3)

Utility Notes

All utilities are shown on this plan and are located by the City of Louisville. The City of Louisville shall confirm the location and size of all utilities. The location of all utilities is subject to change due to the potential for utility conflicts. (Sheet 1 of 3)

General Notes

I. Example of General Notes:

1. All plans were revised on 07/01/10.
2. Plan specifications are current as of 08/09/10.
3. All plans are subject to change.

Kentucky 811

All calls to Kentucky 811 are free of charge. Any contractor or utility worker who does not call Kentucky 811 prior to beginning work may be subject to fines. Failure to call Kentucky 811 may result in personal injury, property damage, and/or the need for emergency services. (Sheet 1 of 3)
