MSD closes Boulevard Napoleon for emergency sewer line repair

Between Bardstown Road and Princeton Drive

LOUISVILLE, KY—MSD has closed Boulevard Napoleon—between Bardstown Road and Princeton Drive—to make an emergency repair to the sewer line. There is local access for residents of this block.

Repairs are expected to be completed by November 27.

About MSD

The Louisville/Jefferson County Metropolitan Sewer District (MSD) works to achieve and maintain clean, environmentally safe waterways for a healthy and vibrant community. The organization's more than 600 employees provide wastewater management, drainage and flood protection services across the 376 square miles of Louisville Metro. In addition to operating and maintaining Louisville Metro's sewer system, floodwall system, water quality treatment centers and flood pumping stations, MSD invests in hundreds of infrastructure improvement projects each year, plants more than 1,000 trees and other vegetation annually to enhance water filtration and reduce runoff, and provides numerous outreach programs to inform and educate the community about protecting our waterways.
